BAC-AZAP®
Organic Odor
Control Liquid

Eliminates organic odors
Removes grease buildup
in drains

- Eliminates odors including feces, sewage, urine, vomit, smoke, mold & mildew, athletic smells, stinky drains, garbage, pet odors, dead animals, food odors, and even skunk
- A unique blend of 7 kinds of micro-organisms, including non-harmful nonpathogenic bacteria and enzymes that work to encapsulate and neutralize any organic odor – not just cover it up
- Applicable on a large or small scale, commercial or residential

Use on drains, garbage dump, toilet

DSV™
Disinfectant Sanitizer
Virucide 3-in-1

Kills harmful germs, bacteria,
fungi and viruses effectively

- Disinfects hepatitis, hantavirus, avian flu, HFMD (EV71), HIV and more
- Prevents and eliminates mildew
- 1 gallon of concentrate makes 64 gallons of solution
- Suitable for daily cleaning of household for the health of the family

Use on home, industrial, hospital, farm & food handling and processing areas
